

Maths Daily Practice

Grade 1 - Week 1

Complete this work in a notebook at home. This is not mandatory homework.

Therefore, it does not need bringing into school. This is optional practice to support the learning taking place in school.

Daily practice 1

Correct number formation

All nine digits have a correct way of being written.
These should be practiced regularly to ensure fluent writing.

Daily practice 2

Number spelling

Many numbers do not follow simple phonetic rules. Therefore, students must practice and remember how to spell numbers to 10.

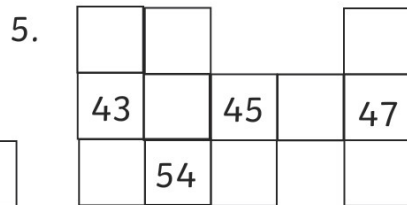

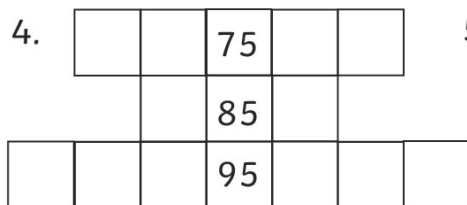

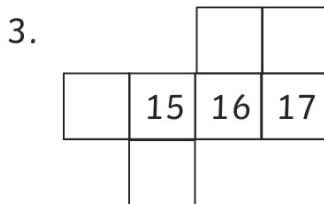

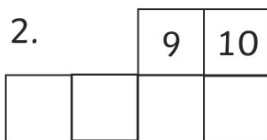

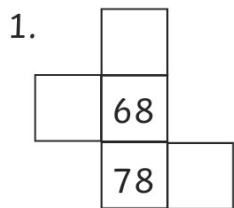

Practice writing these numbers and then test your child to see if they can remember their spellings without looking.

1	one
2	two
3	three
4	four
5	five
6	six
7	seven
8	eight
9	nine
10	ten

Daily practice 3
