understand
details of a talk
about emotional
reactions.**

**I can review
specific
vocabulary from a
talk and explain
what it means.**

WALT: Understand, with support, most specific information and detail of short and extended talk.

Starter

A graphic for Unit 1 titled 'My world'. It features a large teal arrow pointing right with the number '1' inside. Below the arrow, the title 'My world' is written in a large, teal, sans-serif font. Underneath the title, there is a teal horizontal bar with the text 'We are going to...' in white. Below this bar, on a light blue background, is a list of five bullet points in dark grey text.

1 My world

We are going to...

- talk about feelings that connect us
- discover how to find locations on a world map
- talk about someone who we admire
- describe our feelings about a first-time experience
- read about a girl with an unusual name.

Which part of this unit are you looking forward to the most?

Which do you think might be the most challenging?

WALT: Understand, with support, most specific information and detail of short and extended talk.

Look at these pictures.
Which emotion would you associate with each picture?

WALT: Understand, with support, most specific information and detail of short and extended talk.

Listen to the boy talk about how he has been feeling.

1. How did Leo feel right before he started his presentation?

2. Which word from the text means to feel happy because of your own success or achievement?

3. Why did Leo's parents buy him pizza in the evening?

4. What physical sign showed that Leo was nervous at the beginning?

WALT: Understand, with support, most specific information and detail of short and extended talk.

- 1. Before he started his speech, Leo felt incredibly nervous. He thought he would forget his lines.**
- 2. The word which makes you feel happy because of your own success or achievement is proud.**
- 3. Leo's parents bought him pizza because he did an excellent job.**
- 4. Leo's hands were shaking. This is a sign he was nervous.**

WALT: Understand, with support, most specific information and detail of short and extended talk.

Now, listen to the girl talk about how she has been feeling.

1. Why did Hollie feel overwhelmed at the start of the day?

- A) She forgot her homework.
- B) The school was very big and she knew nobody.
- C) She lost her lunchbox.

2. True or false. Hollie spent the entire school day feeling sad and sitting by herself.

3. How did Sarah's behaviour change Hollie's feelings by the afternoon?

WALT: Understand, with support, most specific information and detail of short and extended talk.

1. B.

2. False.

3. When Sarah came to sit with Hollie, she felt hopeful. She thought she might actually make friends in this new city.

WALT: Understand, with support, most specific information and detail of short and extended talk.

In the talk you've just listened to, Hollie felt overwhelmed.

What does it mean to feel overwhelmed?

Overwhelmed is when your brain and body feel a heavy load because there are too many demands, thoughts, or feelings to handle at once.

Have you ever felt overwhelmed? What did you do to calm down?

WALT: Understand, with support, most specific information and detail of short and extended talk.
