A Simone Biles is the most successful gymnast of all time. She **has won** more World Championship medals than any other man or woman in the history of gymnastics. Simone was one of the superstars at the Olympic Games in Rio, where, at just 19 years old, she won four gold and one bronze medals. She said at the time, **'My first Olympics and I've walked away with five medals... It shows dreams can come true. I'm not the next Usain Bolt or Michael Phelps: I'm the first Simone Biles.'**

B Simone was born in Ohio, USA in **1997**. When she was very young, she was in foster care until she and her younger sister, Adria, were adopted by their grandparents. She was always a very active child, who loved jumping around. Then her life changed at the age of six, on a school trip to a gymnastics centre. There, a coach noticed her natural talent and invited her to join a class.

C From that moment, with the support of her family, Simone **worked** hard to become an excellent gymnast. She was very small, but strong. In third grade, she was teased by her classmates about her muscly legs. Instead of getting upset, she felt proud because she knew she was stronger than most of the other children!

past simple

D Simone has had setbacks in her journey to stardom, but she **has never given up**. In 2011, she just missed being selected for the National team. She was devastated, but she stayed strong and positive and used the experience to improve. Three years later her determination was rewarded: in 2014, she became the first woman in 40 years to win **four** gold medals at the World Championships!
