

Making Healthy Choices

This activity helps you to think about what is healthy and what is not as healthy.

Can you use ticks and crosses to show which foods would be healthy choices for your lunch?

Put a tick next to the foods that are healthy and a cross next to the ones that are not as healthy.

Food		Healthy ☐ or Not as Healthy ☐

What Do You Need to Get a Good Night's Sleep?

When you go to bed, what helps you to sleep well?

Think about the last time you had a good night's sleep.

What happened? Did you go to sleep quickly, stay asleep all night and wake up feeling full of energy?

Think about what might have helped you to get such a good night's sleep and write them in the stars below. There are some examples included to help you get started.

What Makes Me Feel Good?

I feel good when...

I feel full of energy when...

I feel physically strong when...

I sleep well when...

I made a healthy food swap today by swapping...

for...

I feel positive when...

Why Is Exercise Important?

Exercise is anything that makes our bodies move. It can be running, walking, skipping, hopping, swimming, playing football, playing rugby, playing tennis, playing cricket, playing hockey, dancing, etc.
