

# Maths Daily Practice

## Grade 1 - Week 2

Complete this work in a notebook at home. This is not mandatory homework.

Therefore, it does not need bringing into school. This is optional practice to support the learning taking place in school.

# Daily practice 1

## Partitioning into tens and ones

Complete the part-whole models by writing the correct numbers in the spaces.

## Daily practice 2

### Number spelling

Many numbers do not follow simple phonetic rules. Therefore, students must practice and remember how to spell numbers to 20.

Practice writing these numbers and then test your child to see if they can remember their spellings without looking.

|    |           |
|----|-----------|
| 11 | eleven    |
