English

Unit 3 – Living Things

WALT:

6Ug.01 Use a limited range of verb forms to ask questions to develop ideas and extend understanding.

WALT: Understand, with support, most of the detail of an argument in short and extended talk.

I can rearrange the words in Wh-questions into the correct order.

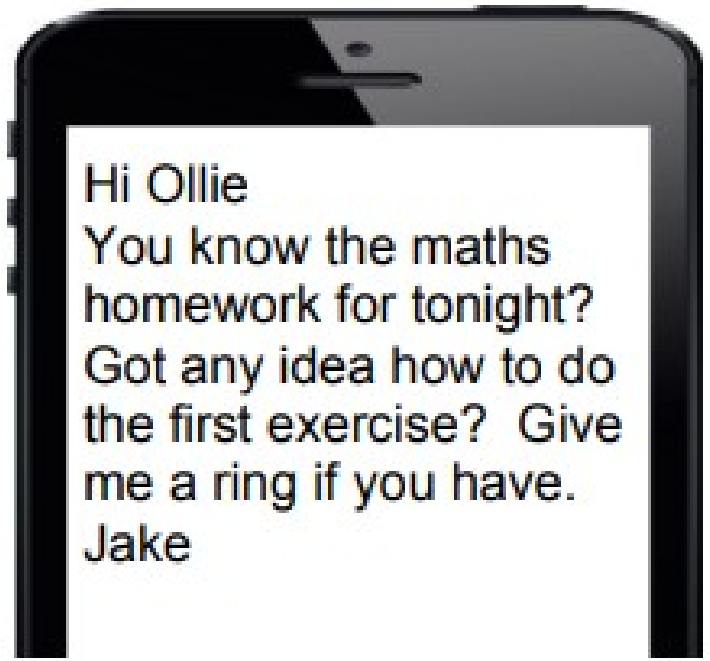

I can use Wh-question words to write my own questions about carnivorous plants.

I can use <u>all</u> the Wh-question words to write my own questions about carnivorous plants.

WALT: Understand, with support, most of the detail of an argument in short and extended talk.

Retrieval Practice

Why is Jake writing to Ollie?

A He is asking what tonight's maths homework is.

B He would like him to explain part of the maths homework.

C He wants to give him some advice about the maths homework.

[1]

WALT: Understand, with support, most of the detail of an argument in short and extended talk.

Starter – What do all these plants have in common?

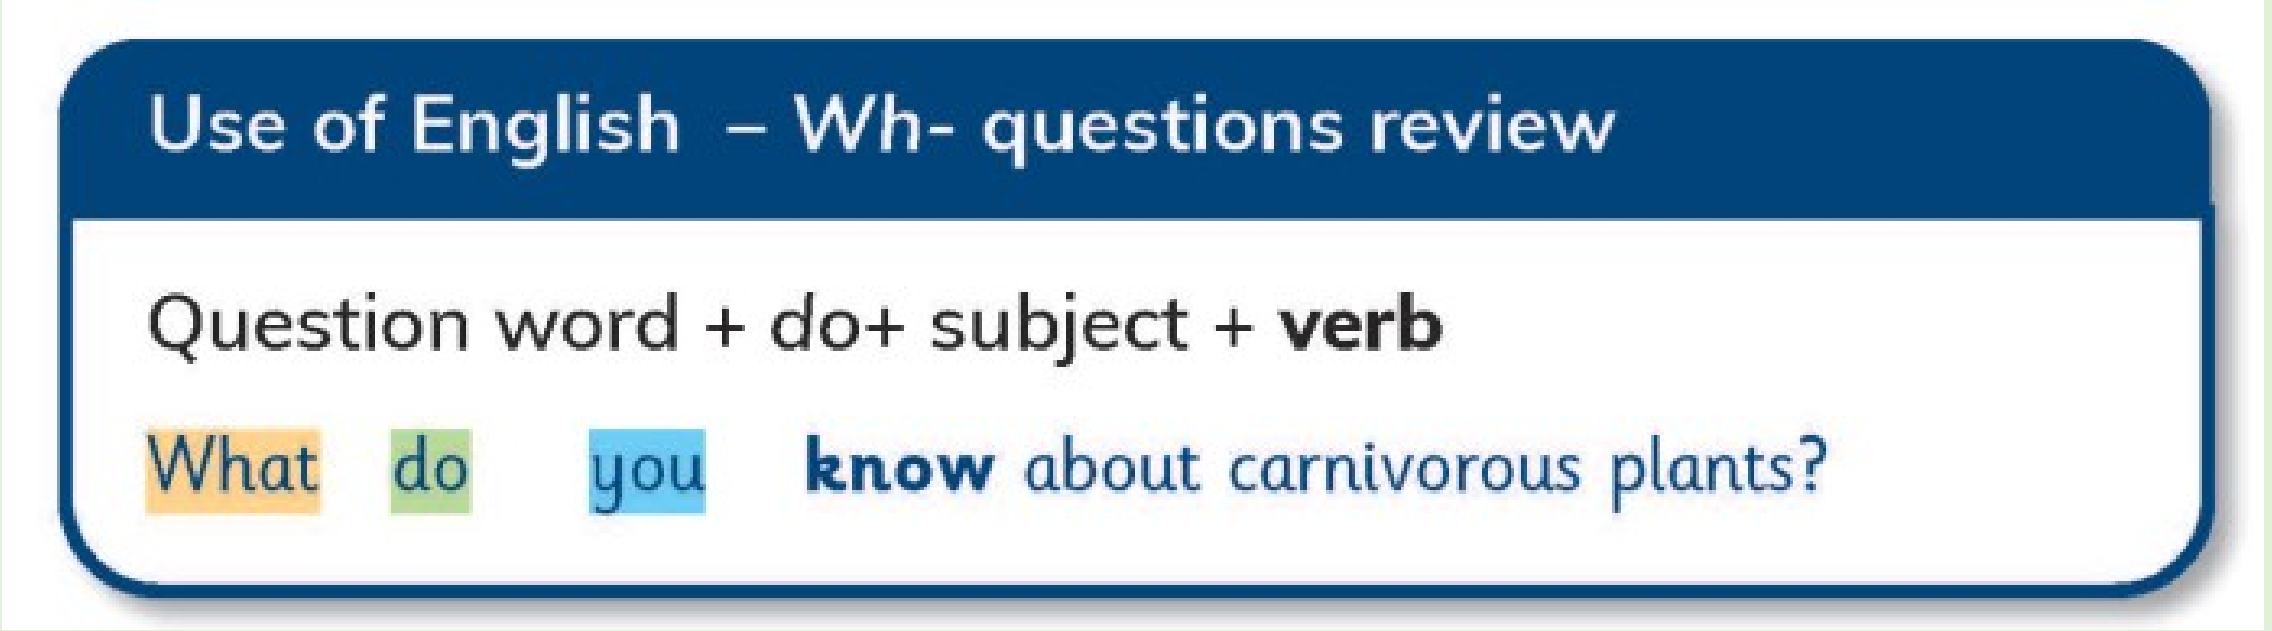

WALT: Understand, with support, most of the detail of an argument in short and extended talk.

Wh – question words. What are they?

WALT: Understand, with support, most of the detail of an argument in short and extended talk.

WALT: Understand, with support, most of the detail of an argument in short and extended talk.

3 **Use of English** Read the Use of English box and sort the words to make Minh's questions.

a carnivorous plants / do / grow / Where / ?
b these plants / Why / eat / other living things / do / ?
c they / What / do / eat / animals / ?
d does / How / its prey / catch / a carnivorous plant / ?

Write your own questions about carnivorous plants using the wh- question words. (Who, What, When, Where, Why, How)

Use the sentence structure: Wh- + do + subject + verb.

Use all 6 of the Wh- question words.

WALT: Understand, with support, most of the detail of an argument in short and extended talk.

I can rearrange the words in Wh-questions into the correct order.

I can use Wh-question words to write my own questions about carnivorous plants.

I can use <u>all</u> the Wh-question words to write my own questions about carnivorous plants.

WALT: Understand, with support, most of the detail of an argument in short and extended talk.

Plenary – How could you find out more about carnivorous plants.

Optional Activity – Use the Wh- questions you've written in todays lesson to research a carnivorous plant.
